

Клеммник питания , для Z- SV ... 3-фазы

Тип **Z-EK/95**
№ для зак. **264933**

Технические характеристики согласно ETIM 6.0

Low-voltage industrial components (EG000017) / Busbar terminal (EC000001)			
Electric engineering, automation, process control engineering / Electrical installation, device / Clamp (not overhead line) / Switch board (ecl@ss8.1-27-14-11-46 [BAA025010])			
Busbar thickness		mm	0 - 0
Busbar width		mm	0 - 0
Suitable for			-
Width clamp		mm	0
Max. conductor cross section		mm ²	0
Max. rated operation current Ie		A	0
Suitable for round conductor connection			Yes
Suitable for sector conductor connection			No
Suitable for strip conductor connection			No
